Oasis™

Bring a moment of calm
to any office space

Oasis Lounge Furniture
Designed by John Madden

Oasis is a range of soft seating designed to bring an air of tranquillity to your work place. Sofas, chairs and ottomans can be arranged to create breakout spaces or secluded 'pockets' for people to talk, work or relax.

Traditional manufacturing is combined with a crisp contemporary aesthetic; the variety of styles enables you to tailor the space to your needs.

Oasis Lounge Furniture

Choose from classic leathers and modern, tactile fabrics in a wide colour palette to suit the mood of the organisation. Spaces can be transformed and workers supported in their daily activities. Oasis is ideal for a wide variety of today's work settings.
